4. Disposal by public auction. — (1) Save as otherwise provided in this Ordinance, no land shall be disposed of except by open auction at a price which shall not be less than the market price in such manner and on such terms and conditions as may be prescribed :

Provided that the residential plots not exceeding one hundred and twenty square yards including the plots reserved for incremental housing not exceeding eighty square yards shall be disposed of at such price in such manner and on such terms and conditions as may be prescribed.

(2) No land shall be exchangeable with any other land including the land occupied by a shiftee.

5. Disposal of land to Government, authority, etc. — The disposal of land to Federal Government, a Provincial Government or any agency of such Government or an autonomous body shall be at the market price in such manner and on such terms and conditions as may be prescribed.

6. Disposal of amenity plot. — (1) The amenity plot shall be disposed of to such person or body of persons or organization in such manner and on such terms and conditions as may be prescribed.

(2) No amenity plot shall be converted to or utilized for any purpose other than the purpose for which it is reserved.

7. Conversion of residential plot. — No residential plot shall be converted for any other purpose except with the prior approval of

the prescribed authority and on the prescribed conditions.

8. Lay out of land. — (1) There shall be prepared a general lay out of the land to be disposed of under this Ordinance.

(2) Such lay out shall specify the purpose for which the land shall be used and the class of buildings which shall be constructed on such land.

9. Sanction of scheme. — (1) A scheme dividing the land in block and blocks in plots shall be prepared for approval of Government in the manner and the terms and conditions as may be prescribed.

(2) The scheme alongwith the sanction order shall be published in the official Gazette and such publication shall be conclusive evidence that the scheme is duly planned, designed and sanctioned.

10. Supervision of scheme. — The implementation of the scheme shall be supervised by the authority which has prepared or sponsored the scheme.

11. Existing leases. — Notwithstanding anything contained in this Ordinance a lease of land existing immediately before the commencement of this Ordinance shall continue on the terms and conditions mentioned therein.
